## HOUSE FIRE CHECKLIST

- Telephone **000** to report a fire
- Is your house number clearly visible from the street so that emergency vehicles can find you?
- Have you practiced a fire escape plan?
- Do all members of your family know to STOP, COVER, DROP and ROLL if clothing catches fire?
- Do you keep keys to deadlocks ready for an emergency?
- Do you have a smoke detector(s) installed in your home? Are they checked monthly?
- Do you have a fire extinguisher in your home?
- Does the garden hose reach all points of the house?

## GENERAL HOUSEKEEPING

- Are matches kept out of reach of children?
- Are light bulbs prevented from touching any material that could ignite?
- Do smokers dispose of ashes and used matches carefully?
- Do they ever smoke in bed?
- Do you regularly clean the lint filter of your clothes dryer?
- Are flammable liquids stored in proper containers away from heat?
- Do you remove old rags, newspapers, and other household rubbish that could feed a fire?
- Do you always have electrical repairs or renovations done by a qualified electrician?
- Are the cords to appliances kept in good repair and not placed under rugs or through doorways?
- Do you ensure that power points are not overloaded?
- Is your electric blanket switched off before you get into bed?
- Are all electrical appliances operated with enough space around them to prevent overheating?
- Are all electrical appliances unplugged after use?
- Do you always place a screen in front of an open fire in your home?
- Is the heating equipment in your home properly installed? Are flues and filters cleaned and checked for leaks?
- Are heating appliances kept away from combustible items such as curtains and laundry?
