

DISTRICT COUNCIL OF GRANT

MEDIA RELEASE

13 May 2022

THANK YOU TO OUR VOLUNTEERS

The week from Monday 16 to Sunday 22 May 2022 we are celebrating the huge contribution that volunteers make to our communities as part of National Volunteers Week. This year's theme is Better Together.

Volunteers are the foundation of our community said Deputy Mayor Gillian Clayfield.

"Thank you to all our volunteers that lead, support and grow our sporting clubs, community groups and organisations and help us deliver the services and places that make our District a great place to be. Our volunteers roll their sleeves up and get amongst the community for no other reason than a desire to help and to make things better for all."

"There are many ways to recognise and celebrate the contributions our volunteers make and I encourage you to recognise their amazing efforts and give thanks over the coming week".

Council's CEO Darryl Whicker is very appreciative of our District Council of Grant volunteers.

"We are very lucky to have great volunteers, they assist us in the delivery of some of our key services like Youth on Wheels, Library and at the Port MacDonnell Community Complex. I would like to thank you for your contribution to Council and our community, you play a pivotal role in enriching our community and we appreciate every minute of your time. We also recognise the contributions of our community volunteer organisations who work tirelessly for the benefit of our community" he said.

The District Council of Grant are holding a Volunteer Morning Tea at the Port MacDonnell Community Complex on Wednesday 18 May 2022 to celebrate our volunteers.
