

## COUNCIL UPDATE

Each year Council provides two rounds of Community Grants to eligible sporting clubs, community groups and hall committees across the District Council of Grant. Over the past year there has been almost 30 community projects funded by Council for a diverse range of activities, facility upgrades and equipment purchases.

Some project examples include:

- A public art mural painted by Jeremy Ievens at Blackfellows Caves;
- Hall upgrades at Allendale East, Kongorong, Moorak, and Port MacDonnell;
- New promotional materials for Port MacDonnell Bowls Club and the Maritime Museum; and
- New equipment for the Mil-Lel Show Committee, SA German Association, Tarpeena Progress Association and Mt Schank Tennis Club.

## COUNCIL DECISIONS

- The Bucks Bay - Exploration of mooring improvements report was noted, and the recommendation for Council continue to facilitate with the Department for Infrastructure and Transport and the Carpenter Rocks Professional Fishing Association regarding improved mooring opportunities in Bucks Bay was endorsed.
- The Draft Dog and Cat Management Plan 2022 - 2027 was noted and endorsed for public consultation.

## Community Grants Review

Council is currently undertaking a review of our Community Grants Program. If you are a community group, sporting club or hall committee in the District Council of Grant we would greatly appreciate your feedback so that we can provide a grants program that meets your needs and assists our community to thrive.

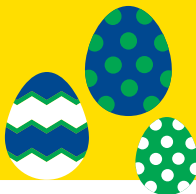

Please head to this link <https://yoursaydcg.com.au/community-grants-review> or request a hard copy form to give us your feedback by Tuesday 26 April 2022.
