Volunteers Celebrated

About 140 volunteer organisations exist in the District Council of Grant including those centred around sporting, charity, youth, environmental, education, history, art, seniors and emergency services. About 75 representatives from these organisations come together for a morning tea hosted by Council to recognise the valuable contribution volunteers make to the community and to celebrate National Volunteers' Week. Volunteers from Port MacDonnell, Carpenter Rocks, Donovans, Kongorong, Allendale East, Pelican Point and Tarpeena attend the event, which was held at the Port MacDonnell Community Complex on Thursday 23rd May.

Photos from the event are attached for publication.
