DISCOVER THE DISTRICT!

There is so much to do in the district and summer is the best time to explore. From natural attractions, museums and cultural experiences to parks and reserves and recreational activities in and around the river and the ocean.

From the 18 December 2018 - 16 December 2019, Council have also made available a Magical Park, a free digital playground for kids, located on the open grassed space along the Port MacDonnell foreshore (look for the information sign near the playground).

If you are hungry after all that activity - grab some fish and chips alongside the ocean or pack a picnic to have along The Waterfront.

Maybe enjoy a great pub meal in a country pub or treat yourself to a quality steak, with a nice wine from our Mount Gambier wine growing region.

Summer offers unique opportunities to get outside and have fun doing activities that appeal to the whole family - enjoy!
